Thank you. We just received the faxed copies of your latest LIPA and ConEd Solutions bills for Manhasset, NY from Anthony Zelanti. Do not pay these bills.

Additionally, we would like to provide you with an update on the overall investigation of this matter. LIPA is currently in the process of recalculating your bills for September through December 2006, as a result of errors uncovered subsequent to our initiation of a query pursuant to our December 20, 2006 Cost Analysis Report. Specifically, their investigation of the meter issue revealed that the wrong meter constant was being applied to.

the calculation of the bill each month, subsequent to the installation of the new meter in September.

We have also been in touch with Con Ed Solutions and they confirmed that they will make their corrections within 72 hours of notification from LIPA. In the end, you will receive credits to both your LIPA and Con Ed Solutions accounts along with lower bills thereafter. We are expecting the final recalculated bills from LIPA by no later than next Tuesday; however, we are hoping they are received by tomorrow.

Furthermore, we are not yet convinced that the matter has been totally resolved. Specifically, although there will be a significant reduction in the charges as a result of the initial investigation, based on your bills prior to the changeover, the readings (i.e., kWh and KW) still seem high. Of course, it is possible that readings prior to the change in meters were too low, therefore, we would like to know if Tiffany maintains any load data on its stores, and more specifically, for the store in question (i.e., Manhasset, NY). This will allow us to insure that Tiffany is fully aware of any other potential liabilities either on the part of LIPA/Con Ed Solutions or if the original bills were too low, on the part of Tiffany. Thanks.

Regards,
Chris

Anthony,
Please fax the Manhasset Utility bills directly to Christine at NUS.
Thanks

Chris, should we pay or hold?

Bruce,

Please email or fax (201-391-8158) copies of the bills to me. I'll be contacting LIPA this morning to address this matter, as well as to get the results of their metering investigation that was scheduled for last Friday morning. We'll keep you advised.

Regards,
Chris

Christine,
We have two new utility bills for Manhasset. Should we pay them? Or has the LIPA and ConEd accounts been placed on hold.
I don't want the "lights to go out"...

Thanks
Bruce
